

The Tale of The Nutcracker

Makeup

For SADC productions, all Students are required to have the same make up colors for stage! We use Mary Kay as it has been the best product for sensitive skin and the best as far as harmful chemicals in the make-up itself. All classes will have a Costume and Make up Tutorial during our end of the year Performance-Parent Class Review.

For Nutcracker, please order colors from the below list and you will be set for the year.
